ONLY THE TRACKS DEVELOPED AND MAINTAINED BY THE BRISBANE CITY COUNCIL ARE SHOWN. THERE ARE MANY OTHER TRACKS THROUGHOUT THE FOREST, MANY OF WHICH ARE SUBJECT TO CLOSURE AND THEIR USE IS NOT ENCOURAGED. WALKERS NEW TO KARAWATHA FOREST ARE STRONGLY RECOMMENDED TO REMAIN ON THE SIGNPOSTED BCC TRACKS, AND TO TAKE NOTE OF WALKING TRACK SIGNS, OTHERWISE IT IS EASY TO BECOME LOST. While every endeavour has been made to ensure that the material here produced is as accurate as possible in what it conveys, the Karawatha Forest Protection Society Inc takes no responsibility for any errors or omissions therein or for any acts that may occur due to its use. The bound/fence along the Gateway Motorway is not shown. Elevations are approximate.
