*"If we save the habitat, the species can save itself" Harry Butler*

**NEWSLETTER FEBRUARY 2015.**

**First meeting for 2015**

**Thursday 19<sup>th</sup> February in the Sunnybank Hills library meeting room.**

***ALL Welcome***

\*\*\*\*\*

*The Executive of Karawatha Forest Protection Society wishes all members  
a Healthy and Prosperous 2015.*

*A special thank you and best wishes to all the people, businesses and organizations  
who have helped and supported the Society over the years, especially in 2014.*

.....

**Bush Walk in Karawatha Forest.  
Sunday 14<sup>th</sup> Dec.**

Just before Christmas Paula and Alf conducted a walk through the Wild May Trail for members of the Society and the general public. Quite a few members of the public attended and everyone had an enjoyable and informative hour enjoying the forest and the points of interest as the walk progressed.

NB ..Paula and Alf have volunteered their services again for this year and there are 2 more walks planned for this year. Keep your eye on events on KFPS Facebook page and these Newsletters.

**Everyone is Welcome**

### Membership for 2015

All members are requested to check their membership status. Please renew your membership for 2015 if you have not already done so. The larger the number of members we have adds to the weight of our negotiations when the Society applies for grants or makes requests to Councils. Forms are available in Newsletters from previous months.

### Message from Cr Marx

You might notice that work has commenced in the forest at the Acacia Road entrance in anticipation of the Discovery Centre. Supplies are currently being delivered for the capping of the landfill. The start date for the centre is still on target for early March. I have invited Council Officers to attend the next Society meeting to provide an update on the Discover Centre.

I can also advise that I have been working with Brisbane City Council to take care of the goat issue within the forest and this will sorted very soon.
