WALKING TRACKS DEVELOPED AND MAINTAINED BY THE BRISBANE CITY COUNCIL ARE SHOWN. THERE ARE MANY OTHER TRACKS THROUGHOUT THE FOREST, MANY OF WHICH ARE SUBJECT TO CLOSURE AND THEIR USE IS NOT ENCOURAGED. WALKERS NEW TO KARAWATHA FOREST ARE STRONGLY RECOMMENDED TO REMAIN ON THE SIGNPOSTED BCC TRACKS, AND TO TAKE NOTE OF WALKING TRACK SIGNS, OTHERWISE IT IS EASY TO BECOME LOST.

While every endeavour has been made to ensure that the material here produced is as accurate as possible in what it conveys, the Karawatha Forest Protection Society Inc takes no responsibility for any errors or omissions therein or for any acts that may occur due to its use.
 The bound/fence along the Gateway Motorway is not shown. Elevations are approximate.

 - Steep Section
- * Access to vehicular use is for Brisbane City Council and emergency vehicles only.

Karawatha Forest Protection Society Map Version 6.0 June 2012

- Release Notes

Minor tweaks have not necessarily been noted.

1. Verified track start/stop locations with BCC especially West of Casuarina Track, and added plenty of name-labels so that track end-points are clear. These include:

- Curtisii Track.
- Lomatia Track.
- Swamp Box Track.
- Mahogany Track.
- Signata Track extended West to Illaweena St & South-East to Wembley Rd - especially so since there is a new bridge over the lagoon creek.
- Racemosa Track.

2. Showed new bridge on Signata Track near Hakea Track.

3. Showed bridge on Echidna Trail.

4. Showed boardwalk on Melaleuca Circuit.

5. Showed top segment (only) of Baileyana Track.

6. Remove cliff face near (unnamed) Curtisii Lookout (old Paratz Lookout).

7. Remove quarry &/or quarry fence as per BCC recommendation.

8. Remove tracks to underpasses at Gateway Mwy off Curtisii Track as these are illegal.

9. Remove references to BCC 'refuse dump' which has been closed for years.

10. Showed BBQ at Acacia Picnic Area.

11. Illaweena Street - added Picnic tables.

12. Added 'steep track' triangles.

13. Added & removed some 'walking person' icons to indicate maintained tracks.

14. Re-alignments:

- Power line.
- Echidna Trail.
- Top part of Casuarina.
- Western half of Banksia.
- Unnamed track between Maculata & Banksia: moved closer to correct location.
- Wallum around lagoons bridge.
- Melaleuca - made wider and lower.

15. Removed Lagoon Trail (now officially closed: may be reopened with a new alignment in future).

16. Removed Paratz naming including Paratz Lookout.

17. Changed from foot trail to vehicular track:

- Eastern part of Banksia.
- Unnamed 130m track between Maculata & Banksia.
- Unnamed 120m track from Wallaby to Rocks Circuit.

18. Changed from vehicular track to foot trail:

- Entolasia between round water reservoir & picnic area.
- Northern part of Wallum.

19. Legend re vehicular access and other legend changes.
